PROFILE SUMMARY

Hello! My name is Andrea Padilla Collazo. A puertorrican graphic designer, artist, 3D artist and freelancer. Here you can see the experience I've gained over the years and the qualities I have that can help your company thrive in a special and unique way.

WORK EXPERIENCE

Motion Graphics Animator January 2024 – March 2024
KROMA Advertisement Agency, San Juan

I create fun and engaging animations for a diverse array of media, including smartphones, tablets and the web.

- Graphic Designer
- Animator
- Storyboard Assistant

Administrative Assistant February 2023 – December 2023
Conservatorio de Puerto Rico, San Juan

I provide the services that are provided below to the institution of the Conservatory of Puerto Rico

- Graphic Designer
- Costumer Service
- Secretary

Graphic Designer November, 2022 – February 2023
Promoción Arte, Gurabo

I create original logos for the small and medium companies in Puerto Rico. I also do other tasks such as:

- Graphic Designer
- Costumer Service

Gallery Assistant November, 2021 – November, 2022
Art Museum of Puerto Rico, San Juan

As a gallery assistant I naturally and quickly adapted to many roles in the company such as:

- Gallery Assistant
- Costumer Service
- Cashier
- Information Center

Production Assistant / Background Artist / Editor October, 2021 – February, 2022

For a Festival entry, a friend of mine and myself entered to the "Ponte Los Cortos" festival and submitted a plethora of animations such as **Spring Cleaning** and the award winning "WEPA".

- Production Assistant
- Video Editor
- Product Manager
- Background Artist
- Co-Script Writer

Storyboard Artist / 3D Ambience Modeler / Concept Artist / Audio Engineer August, 2019 – December, 2019

Popular Bank, San Juan

The Popular Bank, better known as "*Banco Popular*" is Puerto Rico's local bank. They decided to give my class an internship to work on a product based project for the company. Part of my experience there was working as

- **Illustrator** for **concept art of the environment** of the project
- **Storyboard artist** for the concept idea at our first pitch meeting
- **3D modeled** the ambient props
- Audio Mixed and Added Ambient Music

Graphic Designer

June 2018 – September, 2018

Alas de Amor, San Juan

Alas de Amor is a non-profit organization that gives physical and mental therapy themed around peaceful, angelic energy. The owner decided to give me a summer job mainly as a graphic designer but participated in other roles such as...

- Graphic Design
- Product Design
- Comic book illustrator
- Social Media Manager

Freelancer

January 2018 – Present

Andrea Creates

- Comic Book Illustration
- Graphic Design
- Character Illustration
- Content Creator
